Soulman O'gaia

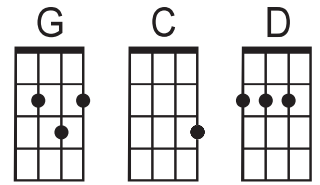

I'll (G) see you up at Jericho

I'll be (C) coming by the mountain (G) path

(G) (C) (G) (C)

I (G) met a (C) man called (G) Luther (C)

He was (G) standing on the (C) side of the (G) Road (C)

I said (G) good morning and (C) how do you (G) do sir (C)

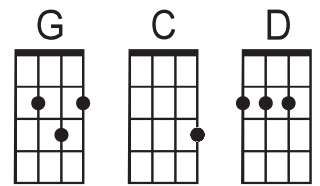

He said well (D) son I just don't (C) know

But I (G) know (C) where your (G) going (C)

Jump (G) in lets (C) take a (G) ride (C)

Some (G) times there's no (C) way of (G) knowing (C)

If it's (D) just your foolish (C) pride

Free at (G) last, (C) Free at (G) last, (C) Free at (G) last, (C) (G) (C)

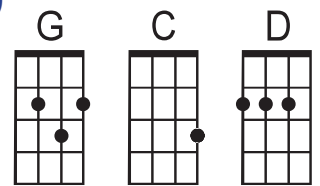

Free at (C) last, Free at (D) last, Free at (G) last, (C) (G) (C)

(G) Free from the (C) wheels of the (G) future (C)

(G) Free from the (C) chains of the (G) past (C)

Well it's (D) really quite a blast... (C).

Free at (G) last! (C) (G) (C) (G) (C) (G) (C)

We (G) rolled on (C) down to the (G) riverside (C)

(G) Singing those (C) protestant (G) songs (C)

(G) As we came a (C) round the (G) bend (C)

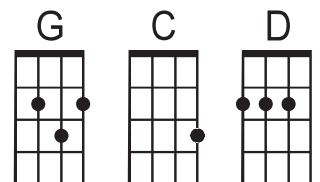

I (D) held up the three of (C) wands

He said (G) Fate may (C) be your (G) destiny (C)

(G) Luck may (C) be a (G) sign (C)

(G) Son if (C) you are (G) asking me (C)

I'd say don't (D) pay it no never (C) mind

CHORUS:

Free at (G) last, (C) Free at (G) last, (C) Free at (G) last, (C) (G) (C)

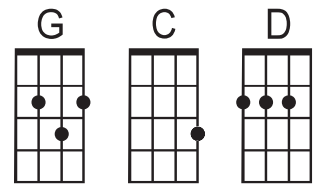

Free at (C) last, Free at (D) last, Free at (G) last, (C) (G) (C)

(G) Free from the (C) wheels of the (G) future (C)

(G) Free from the (C) chains of the (G) past (C)

Well it's (D) really quite a blast... (C).

Free at (G) last! (C) (G) (C)

As the (G) sun was going (C) down

We (G) headed back to (C) town

There's was (G) people lying (G) naked in the (G) grass (C)

I said to (G) Luther "Man what's going (C) on?"

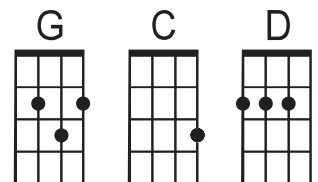

He said "Now (D) son do you really need to (C) ask?"

(G) Fate may (C) be your destiny (G) (C)

(G) Luck may (C) be a sign (G) (C)

(G) Son if (C) you are asking me (G) (C)

I'd say don't (D) pay it no never (C) mind

CHORUS:

Free at (G) last, (C) Free at (G) last, (C) Free at (G) last, (C) (G) (C)

Free at (C) last, Free at (D) last, Free at (G) last, (C) (G) (C)

(G) Free from the (C) wheels of the (G) future (C)

(G) Free from the (C) chains of the (G) past (C)

Well it's (D) really quite a blast... (C).
