

# LITTLE WOODEN BOAT

Val Hodgson | Stukulele

## INTRO (C) (Cdim) (Dm7) (G7) (turnaround 2 beats each)

On a (C) sunny day I like to go to sea  
Sit in the bow, and play my (G7) ukulele  
In my little wooden boat, my (C) little wooden boat  
I (Dm7) love to float, (G7) in my little wooden  
(C) boat (Cdim) (Dm7) (G7)

A (C) clinker hull with a tan gaff sail  
If spray comes in, I may (G7) have to bail,  
My little wooden boat, my (C) little wooden boat  
I (Dm7) love to float, (G7) in my little wooden  
(C) boat (Cdim) (Dm7) (G7)

A (C) little boat, only ten foot two  
She can do anything that the (G7) bigger boats do,  
My little wooden boat, my (C) little wooden boat  
I (Dm7) love to float, (G7) in my little wooden  
(C) boat (C7)

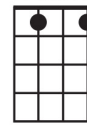

Some (E7) times it's rough, and if I have to puke  
To dis (Am) tract myself, I play a little uke,  
my (D7) little wooden boat, keeps me from harm  
(G7) Safe through the storm, till all is calm

We (C) go pretty fast, when we're on a reach  
Sail through the surf, right (G7) up to the beach  
My little wooden boat, my (C) little wooden boat  
I (Dm7) love to float, (G7) in my little wooden  
(C) boat (Cdim) (Dm7) (G7)

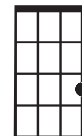

I don't (C) say good bye when we're off the foam  
Pull her up on the trailer and (G7) take her home  
My little wooden boat, my (C) little wooden boat  
I (Dm7) love to float, (G7) in my little wooden  
(C) boat (E7) | (A7) |

I (Dm7) live to float, (G7) in my little wooden
