

MUDSTEPPIN' Salty Dog [YOUTUBE](#)

(A) Oh the sky is dry and your throat is too,
you ain't got spit to (A7) shine your shoes
You wanna (D7) know why the Indians dance for rain,
(A) say folks just let me explain
They (E7) sing and dance till they make it flood,
then they (A) dance some more in the thick black mud

CHORUS: (A) Mudsteppin', Mudsteppin',
They were (D7) Mudsteppin', (A) Mudsteppin',
Do the (E7) Mudstep Quickstep, (D7) quicken up your (A) blood

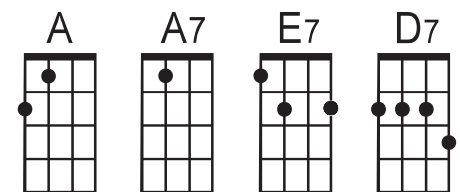

(A) When the river rose and the levees broke,
it never did bother them (A7) Memphis folk
Mos (D7) quitoes buzzin' round their heads,
(A) thick black mud everywhere they went
If (E7) they weren't careful they got stuck,
(A) here's what they said when they were out of luck,

CHORUS: They were (A) Mudsteppin', Mudsteppin',
Ah (D7) Mudsteppin', Ah (A) Mudsteppin',
Do the (E7) Mudstep Quickstep, (D7) quicken up your (A) blood

SOLO: (A) | (A) | (A) | (A7) |
(D7) | (D7) | (A) | (A) |
(E7) | (D7) | (A) | (A) |

(A) If you wear high heels they'd only sink,
and mud in your boots just (A7) starts to stink
(D7) Dress regulations were made to bend,
(A) foot's the fashion I'd recommend
(E7) Kick off your shoes, lift your knees up high,
(A) make that sloppy black mud fly

CHORUS: (A) Mudsteppin', Mudsteppin',

They were (D7) Mudsteppin', (A) Mudsteppin',

Do the (E7) Mudstep Quickstep, (D7) quicken up your (A) blood

(A) Mud in your eye mud up your nose,

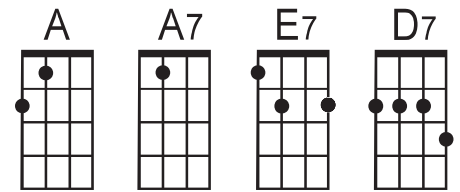

feel that stuff bet (A7) ween your toes

If you're (D7) feeling hot you might want to rub

a (A) little of that stuff on the one you love

So (E7) follow me down where it's wet and deep,

if we (A) stick together I'm yours to keep

CHORUS: (A) Mudsteppin', Mudsteppin',

They were (D7) Mudsteppin', (A) Mudsteppin',

Do the (E7) Mudstep Quickstep, (D7) quicken up your (A) blood

Do the (E7) Mudstep Quickstep, (D7) quicken up your (A) blood

Do the (E7) Mudstep Quickstep, (D7) quicken up your (A) blood
