

MY ISLAND HOME WARUMPI BAND [YOUTUBE](#)

Six (C) years I've (F) been in the (C) desert
And every (F) night I dream of the (C) sea
They say (C) ho- (F) me is where you (C) find it
But will this (G) place (F) ever satisfy (C) me

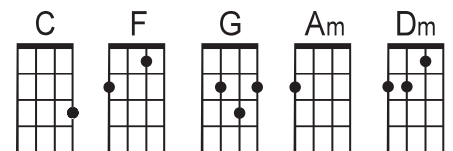

For I (C) come from the (F) saltwater (C) people
we always (F) lived by the (C) sea
Now I'm (C) out here (F) west of Alice (C) Springs
With my (G) man (F) and a fami (C) ly

And my island (Am) home my island (C) home
My island (G) home (F) is a waiting for (C) me
And my island (Am) home my island (C) home
My island (G) home (F) is a waiting for (C) me

In the (Am) evening the (G) dry wind (C) blows
From the (C) hills and across the (F) plains
I (Am) close my (G) eyes and I'm (C) standing
In a (C) boat on the sea a (F) gain
And I'm (Am) holding that (G) long turtle (C) spear
And I feel I'm (C) close now to where it must (F) be
My island (G) home (F) is a waiting for (C) me

And my island (Am) home my island (C) home
My island (G) home (F) is a waiting for (C) me
And my island (Am) home my island (C) home
My island (G) home (F) is a waiting for (C) me

For I (C) come from the (F) saltwater (C) people
we always (F) lived by the (C) sea
Now I'm (C) out here (F) living in the (C) city
With my (G) man (F) and a fami (C) ly

My island (Am) home My island (C) home
My island (G) home (F) is a waiting for (C) me
My island (Am) home My island (C) home
My island (G) home (F) is a waiting for (C) me
And my island (Am) home my island (C) home
My island (G) home (F) is a waiting for (C) me
