REDGUM **YOUTUBE**

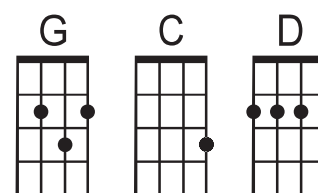

| (G) | (D) | (C) | (G) |

(G) Eighteen-hundred & (D) 78 was the
(C) year I remember so (G) well
They (G) put my father in an (D) early grave
and (C) slung my mother in (G) gaol
Now (G) I don't know whats (D) right or wrong
but they (C) hung Christ on (G) nails
(G) 6 kids at home & 2 (D) still on the breast
they (C) wouldn't even give us (G) bail

CHORUS: (G) Poor Ned, you're (D) better off dead
at (C) least you'll get some peace of (G) mind
you're (G) out on the track
they're (D) right on your back
(C) boy they're gonna hang you (G) high

You (G) know I wrote a letter 'bout (D) Stringy-Bark Creek
so (C) they would under (G) stand
that (G) I might be a bush (D) ranger
but I'm (C) not a murdering (G) man
(G) I didn't want to shoot (D) Kennedy
or that (C) copper Lonni (G) gan
(G) he alone could have (D) saved his life
by (C) throwing down his (G) gun

CHORUS: (G) Poor Ned, you're (D) better off dead
at (C) least you'll get some peace of (G) mind
you're (G) out on the track
they're (D) right on your back
(C) boy they're gonna hang you (G) high
